

Adrian Drghici Iliescu

Technical Skills

- JavaScript, ReactJS
- HTML, CSS, Bootstrap
- TypeScript, AngularJS
- Git, REST APIs

Foreign Languages

- English: C1
- Spanish: B2

Education

- University Name: University of Bucharest
- Program Duration: 4 years
- Master Degree Name: University Politehnica of Bucharest
- Program Duration: 2 years

Certifications

- Microsoft Certified: Azure Fundamentals
- JavaScript Developer I (Salesforce)
- Certified Entry-Level JavaScript Programmer (CIW)

Project Experience

1. Interactive Web Application for Event Management

Developed an interactive web application for managing events using ReactJS and TypeScript, providing users with a seamless experience for creating and managing events. Implemented

responsive design principles with HTML, CSS, and Bootstrap to ensure compatibility across various devices. Integrated REST APIs to facilitate real-time data updates and user notifications, enhancing the overall user engagement and experience. Utilized Git for version control to manage code changes effectively and ensure smooth collaboration within the team.

2. Online Learning Platform

Created an online learning platform using AngularJS and TypeScript, enabling users to access a wide range of educational resources and courses. Designed intuitive user interfaces with HTML, CSS, and Bootstrap to enhance user interaction and accessibility. Developed RESTful APIs to support dynamic content delivery and user authentication, ensuring secure and efficient data handling. Leveraged Git for source code management, facilitating collaborative development and continuous integration.
