Required Qualifications:

- Bachelor's degree in Computer Science, Information Technology, or a related field.
- 3+ years of experience in full stack development.
- Proficiency in front-end technologies such as HTML, CSS, JavaScript, and frameworks like React or Angular.
- Strong experience with back-end technologies such as Node.js, Python, Ruby, or Java.
- Familiarity with database systems like MySQL, PostgreSQL, or MongoDB.
- Experience with RESTful APIs and third-party libraries.
- Solid understanding of version control systems, preferably Git.

Preferred Skills:

- Experience with cloud platforms such as AWS, Azure, or Google Cloud.
- Knowledge of containerization technologies like Docker or Kubernetes.
- Familiarity with CI/CD pipelines and DevOps practices.
- Strong problem-solving skills and attention to detail.
- Excellent communication and teamwork abilities.

Benefits:

- Competitive salary and performance-based bonuses.
- Comprehensive health, dental, and vision insurance.
- Flexible work hours and remote work options.
- Generous paid time off and holiday schedule.
- Professional development opportunities and tuition reimbursement.
- Collaborative and inclusive company culture.
- Access to the latest tools and technologies to support your work.
