

Mihai Drgoi

Technical Skills

- JavaScript, ReactJS, TypeScript
- HTML, CSS, Bootstrap
- AngularJS, VueJS
- Git, REST APIs

Foreign Languages

- English: C1
- Spanish: B1
- French: A2

Education

- University Name: Polytechnic University of Bucharest
- Program Duration: 4 years
- Master Degree Name: Polytechnic University of Bucharest
- Program Duration: 2 years

Certifications

- Oracle Certified Professional: JavaScript Developer
- Microsoft Certified: Azure Developer Associate

Project Experience

1. Interactive Dashboard for Data Visualization

Developed an interactive data visualization dashboard using ReactJS and TypeScript, aimed at providing real-time analytics for business intelligence. Implemented REST APIs to fetch and display

dynamic data, ensuring seamless integration with backend services. Enhanced the user interface with Bootstrap and CSS for responsive design, resulting in a 25% increase in user engagement. Technologies and tools used: ReactJS, TypeScript, REST APIs, Bootstrap, Git.

2. Single Page Application for Task Management

Created a single-page application for task management using AngularJS and VueJS, designed to streamline project workflows for teams. Leveraged REST APIs to enable real-time task updates and notifications, improving team productivity by 30%. Utilized Git for version control, ensuring efficient collaboration and code management among team members. Technologies and tools used: AngularJS, VueJS, REST APIs, Git, HTML, CSS.
