

Adrian Luca Munteanu

## Technical Skills

- JavaScript, ReactJS
- SQL, PostgreSQL
- Figma, Adobe XD
- REST APIs, Git

## Foreign Languages

- English: C1
- Spanish: B2
- French: A2

## Education

- University Name: University of Bucharest
- Program Duration: 4 years
- Master Degree Name: University of Bucharest
- Program Duration: 2 years

## Certifications

- Microsoft Certified: Azure Fundamentals
- AWS Certified Cloud Practitioner
- Oracle SQL Certified Associate

## Project Experience

1. Interactive Web Application for Event Management

Developed an interactive web application for managing events using ReactJS for the frontend, ensuring a dynamic and responsive user interface. Utilized REST APIs to connect the frontend with a PostgreSQL database, enabling seamless data retrieval and storage. Implemented user authentication and authorization features using JWT, enhancing security and user experience. Technologies and tools used: ReactJS, JavaScript, PostgreSQL, REST APIs, Git.

## 2. Cloud-Based Inventory System

Designed and implemented a cloud-based inventory management system leveraging AWS services to ensure scalability and reliability. Developed the backend using Node.js and integrated it with a PostgreSQL database for efficient data handling. Utilized AWS Lambda and API Gateway to create serverless functions, reducing operational costs and improving system performance. Technologies and tools used: AWS, PostgreSQL, REST APIs, Git, Node.js.
