

**Job Title:**

Mid-level Machine Learning Engineer

**Company Overview:**

InnovateTech Solutions is a leading technology firm dedicated to pioneering advancements in artificial intelligence and machine learning. Our mission is to empower businesses through cutting-edge solutions that drive efficiency and innovation. We foster a collaborative and inclusive work environment where creativity and technical excellence are at the forefront of everything we do.

**Key Responsibilities:**

- Develop, implement, and optimize machine learning models to solve complex business problems.
- Collaborate with cross-functional teams to understand project requirements and deliver scalable solutions.
- Conduct data analysis and preprocessing to ensure high-quality inputs for model training.
- Evaluate model performance and continuously improve algorithms through experimentation and iteration.
- Deploy machine learning models into production environments and monitor their performance.
- Document processes, models, and results to facilitate knowledge sharing and reproducibility.
- Stay updated with the latest advancements in machine learning and integrate relevant technologies into projects.

**Required Qualifications:**

- Bachelor's degree in Computer Science, Engineering, Mathematics, or a related field.
- 3+ years of experience in machine learning or data science roles.
- Proficiency in programming languages such as Python or R.
- Strong understanding of machine learning algorithms and frameworks (e.g., TensorFlow, PyTorch, scikit-learn).
- Experience with data manipulation and analysis using tools like Pandas and NumPy.
- Familiarity with cloud platforms (e.g., AWS, Google Cloud, Azure) for deploying machine learning models.
- Excellent problem-solving skills and attention to detail.

**Preferred Skills:**

- Master's degree in a related field.
- Experience with natural language processing (NLP) or computer vision projects.
- Knowledge of big data technologies such as Hadoop or Spark.
- Strong communication skills and the ability to work effectively in a team environment.
- Experience with version control systems like Git.

**Benefits:**

- Competitive salary and performance-based bonuses.
- Comprehensive health, dental, and vision insurance plans.
- Flexible working hours and remote work options.
- Opportunities for professional development and continuous learning.
- Generous paid time off and holiday schedule.
- Employee wellness programs and team-building activities.
