Job Title:
Junior Backend Developer

Company Overview:
At Tech Innovators Inc., we are committed to delivering cutting-edge technology solutions that empower businesses to thrive in a digital world. Our team is passionate about innovation, collaboration, and excellence, driving us to create impactful software products that solve real-world problems. Join us and be a part of a dynamic environment where your contributions make a difference.

Key Responsibilities:
- Develop, test, and maintain server-side logic and APIs to support web and mobile applications.
- Collaborate with front-end developers to integrate user-facing elements with server-side logic.
- Assist in the design and implementation of scalable and secure database solutions.
- Debug and resolve technical issues, ensuring optimal application performance and reliability.
- Participate in code reviews to maintain code quality and share knowledge with team members.
- Contribute to the continuous improvement of development processes and practices.

Required Qualifications:
- Bachelor's degree in Computer Science, Information Technology, or a related field.
- Proficiency in at least one backend programming language such as Python, Java, or Node.js.
- Basic understanding of RESTful services and API design.
- Familiarity with version control systems, preferably Git.
- Strong problem-solving skills and attention to detail.
- Excellent communication and teamwork abilities.

Preferred Skills:
- Experience with database technologies such as MySQL, PostgreSQL, or MongoDB.
- Knowledge of cloud platforms like AWS, Azure, or Google Cloud.
- Understanding of containerization technologies such as Docker.
- Exposure to Agile development methodologies.
- Enthusiasm for learning new technologies and staying updated with industry trends.

Benefits:

- Competitive salary and performance-based bonuses.
- Comprehensive health, dental, and vision insurance plans.
- Flexible working hours and remote work options.
- Opportunities for professional development and career advancement.
- Collaborative and inclusive company culture.
- Generous paid time off and holiday schedule.
