# Andrei Mihail Radu

## Technical Skills

- JavaScript, ReactJS, TypeScript

- HTML, CSS, Bootstrap

- AngularJS, VueJS

- Git, REST APIs

- Figma, Adobe XD

## Foreign Languages

- English: C1

- Spanish: B1

## Education

- University Name: University Politehnica of Bucharest

- Program Duration: 4 years

- Master Degree Name: University Politehnica of Bucharest

- Program Duration: 2 years

## Certifications

- Microsoft Certified: Azure Developer Associate

- AWS Certified Developer  Associate

- Google Professional Cloud Developer

## Project Experience

1. Interactive Web Application for Event Management

   Developed an interactive web application for managing events using ReactJS and TypeScript,

focusing on a responsive and intuitive user interface. Integrated REST APIs to enable real-time data updates and seamless communication between the client and server. Utilized Git for version control and collaborated with a team to ensure efficient code management and deployment. Technologies and tools used: ReactJS, TypeScript, REST APIs, Git, Bootstrap.

2. Cloud-Based Collaboration Platform

Led the development of a cloud-based collaboration platform using AngularJS and VueJS, designed to facilitate team communication and project management. Implemented secure authentication and data encryption to protect user information and ensure privacy. Deployed the application on Azure, leveraging cloud services to enhance scalability and performance. Technologies and tools used: AngularJS, VueJS, Azure, REST APIs, Figma.
