Job Title:

Junior Full Stack Developer

Company Overview:

At Tech Innovators Inc., we are dedicated to transforming the digital landscape by providing cutting-edge technology solutions to businesses worldwide. Our mission is to empower organizations through innovative software that enhances efficiency and drives growth. We pride ourselves on fostering a collaborative and inclusive work environment where creativity and innovation thrive.

Key Responsibilities:

- Develop, test, and maintain web applications using modern programming languages and frameworks.
- Collaborate with cross-functional teams to define, design, and ship new features.
- Assist in the troubleshooting and resolution of software defects and issues.
- Write clean, scalable, and well-documented code following best practices.
- Participate in code reviews to maintain high-quality standards and improve team performance.
- Stay updated with emerging technologies and industry trends to continuously improve skills and project outcomes.

Required Qualifications:

- Bachelor's degree in Computer Science, Information Technology, or a related field.
- Proficiency in front-end languages such as HTML, CSS, and JavaScript.
- Basic understanding of back-end technologies like Node.js, Python, or Java.
- Familiarity with version control systems, particularly Git.
- Strong problem-solving skills and attention to detail.
- Ability to work effectively in a team environment and communicate clearly.

Preferred Skills:

- Experience with front-end frameworks such as React, Angular, or Vue.js.
- Knowledge of database technologies like SQL, MongoDB, or PostgreSQL.
- Understanding of RESTful APIs and web services.
- Exposure to cloud platforms such as AWS, Azure, or Google Cloud.
- Prior internship or project experience in full stack development.

Benefits:

- Competitive salary with performance-based bonuses.
- Comprehensive health, dental, and vision insurance plans.
- Opportunities for professional development and career advancement.
- Flexible working hours and remote work options.
- A supportive and inclusive company culture that values diversity and innovation.
