Adrian Neagu Alexandru

Technical Skills

- JavaScript, ReactJS

- Figma, Adobe XD

- HTML, CSS

- Sketch, InVision

- TypeScript, VueJS

Foreign Languages

- English: C1

- Spanish: B2

- French: A2

Education

- University Name: University of Bucharest

- Program Duration: 4 years

- Master Degree Name: University of Bucharest

- Program Duration: 2 years

Certifications

- Microsoft Certified: Azure Developer Associate

- AWS Certified Developer Associate

- Google Professional Cloud Developer

Project Experience

1. Interactive Web Application for Event Management

Developed a dynamic web application for managing events using ReactJS and TypeScript, providing users with a seamless experience to create, manage, and track events. Leveraged Figma and Adobe XD for designing intuitive user interfaces, ensuring a visually appealing and user-friendly platform. Integrated cloud services using AWS to enhance the application's scalability and reliability, resulting in a 50% increase in user engagement.

Technologies and tools used: ReactJS, TypeScript, Figma, Adobe XD, AWS.

2. Collaborative Design Platform

Created a collaborative design platform utilizing VueJS and JavaScript, enabling teams to work together on design projects in real-time. Employed Sketch and InVision for prototyping and testing, ensuring that the platform met high standards of usability and design consistency. Implemented cloud-based storage solutions with Google Cloud to facilitate secure and efficient data management, improving project delivery times by 30%.

Technologies and tools used: VueJS, JavaScript, Sketch, InVision, Google Cloud.
