Andrei Clin Stoica

Technical Skills

- JavaScript, HTML, CSS, ReactJS

- TypeScript, AngularJS, Bootstrap, REST APIs

- HTML, CSS, VueJS, Git

- JavaScript, TypeScript, CSS, Figma

Foreign Languages

- English: C1

- French: B2

Education

- University Name: Politehnica University of Bucharest

- Program Duration: 4 years

- Master Degree Name: Politehnica University of Bucharest

- Program Duration: 2 years

Certifications

- Microsoft Certified: Azure Fundamentals

- Certified JavaScript Developer

- Google Mobile Web Specialist

Project Experience

1. Interactive Web Application for Local Events

   Developed a dynamic web application using ReactJS, JavaScript, HTML, and CSS to help users discover and register for local events. Implemented responsive design principles to ensure seamless

user experience across devices, utilizing Bootstrap for styling and layout. Integrated REST APIs to fetch and display real-time event data, enhancing user engagement and interaction. Collaborated with a team using Git for version control to manage code changes efficiently.

2. Task Management System

Built a task management system using AngularJS and TypeScript, focusing on enhancing productivity for small teams. Employed REST APIs to enable real-time data synchronization and task updates across multiple users. Designed a clean and intuitive user interface with Bootstrap, ensuring ease of use and accessibility. Utilized Git for collaborative development, allowing for streamlined code integration and version tracking.
