Adrian Vasile Clin

Technical Skills

- Figma, Sketch

- Adobe XD, InVision

- HTML, CSS, Bootstrap

- JavaScript, ReactJS

Foreign Languages

- English: C1

- Spanish: B2

Education

- University Name: University Politehnica of Bucharest

- Program Duration: 4 years

- Master Degree Name: University Politehnica of Bucharest

- Program Duration: 2 years

Certifications

- Adobe Certified Professional: Web Authoring Using Adobe Dreamweaver

- Google UX Design Professional Certificate

Project Experience

1. Responsive Portfolio Website Design

   Created a responsive portfolio website using HTML, CSS, and Bootstrap to showcase personal projects and skills. Utilized Figma and Sketch for designing an intuitive and visually appealing user interface, ensuring cross-device compatibility. Integrated JavaScript and ReactJS to add interactive

elements, enhancing user engagement and navigation. This project demonstrated proficiency in front-end development and design tools, aligning with the Adobe Certified Professional: Web Authoring Using Adobe Dreamweaver certification.

2. Collaborative UX Design Project

Participated in a team-based UX design project as part of the Google UX Design Professional Certificate program. Employed Adobe XD and InVision to prototype a mobile application aimed at improving user productivity. Conducted user research and usability testing to iterate on design solutions, ensuring a user-centered approach. Collaborated closely with developers to translate design mockups into functional components, leveraging ReactJS for dynamic content rendering.
