Mihail Andrei Lupescu

Technical Skills

- JavaScript, ReactJS, Node.js

- HTML, CSS, Bootstrap

- Python, Django

- SQL, PostgreSQL

- Docker, Git

Foreign Languages

- English: C1

- Spanish: B2

Education

- University Name: University Politehnica of Bucharest

- Program Duration: 4 years

- Master Degree Name: University Politehnica of Bucharest

- Program Duration: 2 years

Certifications

- JavaScript Developer I by Salesforce

- Microsoft Certified: Azure Fundamentals

- AWS Certified Cloud Practitioner

Project Experience

1. Social Media Dashboard

   Developed a responsive social media dashboard using ReactJS for the frontend and Node.js for

the backend, allowing users to manage multiple social media accounts in one place. Implemented real-time data updates and notifications using WebSockets, enhancing user engagement and interaction. Utilized PostgreSQL for efficient data storage and retrieval, ensuring seamless performance and scalability. Technologies and tools used: ReactJS, Node.js, WebSockets, PostgreSQL, Bootstrap, Git.

2. Online Learning Platform

Created an online learning platform using Python and Django, providing a seamless experience for students and instructors to access and manage courses. Integrated secure user authentication and role-based access control to ensure data privacy and security. Employed Docker for containerization, facilitating easy deployment and scalability across different environments. Technologies and tools used: Python, Django, Docker, HTML, CSS, Git.
