Andrei Mihailescu

Technical Skills

- JavaScript, ReactJS, HTML, CSS

- TypeScript, AngularJS, Bootstrap

- VueJS, JavaScript, Git, REST APIs

- HTML, CSS, Figma, Adobe XD

Foreign Languages

- English: C1

- Spanish: B2

Education

- University Name: University Politehnica of Bucharest

- Program Duration: 4 years

- Master Degree Name: University Politehnica of Bucharest

- Program Duration: 2 years

Certifications

- Microsoft Certified: Azure Fundamentals

- AWS Certified Cloud Practitioner

Project Experience

1. Interactive Web Application for Event Management

   Developed an interactive web application for managing events using ReactJS, JavaScript, HTML, and CSS. The application allowed users to create, edit, and manage events with a user-friendly interface and real-time updates. Integrated REST APIs for backend communication and utilized Git

for version control. The project emphasized responsive design and cross-browser compatibility, ensuring a seamless user experience across devices.

2. Dynamic Dashboard with AngularJS and TypeScript

Created a dynamic dashboard for data visualization using AngularJS, TypeScript, and Bootstrap. The dashboard provided real-time analytics and customizable widgets, allowing users to tailor their view according to their needs. Implemented RESTful services for data retrieval and updates, ensuring efficient data handling. The project focused on creating a modular and scalable architecture to accommodate future enhancements and integrations.
