Andrei Bucur Dumitrescu

Technical Skills

- Figma, Adobe XD

- Sketch, InVision

- JavaScript, ReactJS

- HTML, CSS, Bootstrap

- TypeScript, VueJS

Foreign Languages

- English: C1

- French: B2

- Spanish: A2

Education

- University Name: University of Bucharest

- Program Duration: 4 years

- Master Degree Name: University of Bucharest

- Program Duration: 2 years

Certifications

- Microsoft Certified: Azure Developer Associate

- Google Mobile Web Specialist

- Adobe Certified Expert (ACE)

Project Experience

1. Interactive Web Application for Real Estate

Developed an interactive web application for a real estate company using ReactJS and TypeScript, enhancing user engagement through dynamic content and responsive design. Leveraged Figma and Adobe XD for creating intuitive UI/UX designs, ensuring a seamless user experience across devices. Integrated Google Maps API for location-based property searches, and utilized Bootstrap for a consistent and mobile-friendly layout. This project improved client satisfaction by 25% through enhanced usability and accessibility.

2. Collaborative Design Platform

Led the development of a collaborative design platform using VueJS and InVision, aimed at streamlining the design process for creative teams. Employed Sketch and Adobe XD to prototype and test various design concepts, resulting in a 30% reduction in iteration time. Implemented real-time collaboration features using WebSockets, allowing multiple users to work simultaneously on projects. The platform's launch resulted in a 40% increase in productivity for design teams.
